As for the proposal that I would like the EC colleagues to think about introduction of a new category of membership, like "Friends of AAD" for individuals/institutions in Assam (in fact anywhere outside Delhi - in India and abroad) - on the basis of appropriate membership fees, it might surely need placing before the GBM for a discussion and endorsement. Since the GBM is scheduled next week, please give it a serious thought in the informal meeting tomorrow how we would like to take it forward.

Would appreciate a feedback on this as I won't be able to join tomorrow's meeting because of a clashing pre-committed engagement.

Warm regards and best wishes,

Binod

3. Discussion and Adoption of the Activities Reports of AAD

During the discussion and adoption of the Activity report, following comments/ observations were made by members viz. :

Nilay Das

- i. Platinum Jubilee celebration was not successful as AAD failed to do anything permanent in nature.
- ii. Lack of participation of AAD members and Assamese community in various events (National level Seminar, Prabhat Ferry etc) of platinum Jubilee celebration
- iii. The Platinum jubilee celebration failed to create any impact for following reasons:
 - a. The selection of date for Platinum Jubilee celebration at the last part of December was not a wise decision. The last week of December normally busy for year ending events, winter holidays after examination, Christmas, new year eve celebration, North East Festival etc.
 - b. No consultation was made with AAD members on selection of date, program, planning , execution
 - c. No sub committee was constituted apart from the Organizing committee,
 - d. Lack of delegation of works, too much centralization of responsibility i.e. President even kept the responsibility of food coupon distribution himself.
 - e. Lack of proper planning. The dismal show in Seminar and Felicitation ceremony speaks about the same.
 - f. Report and photo of Curtain Raiser (day long event held on 3rd Sept'2023) event to mark the beginning of Platinum Jubilee celebration could not be

found in the **Xamoyik** Platinum Jubilee issue souvenir. It is really disappointing .

- g. Poor coordination with sister organizations of Assamese communities in NCR region like Noida, Gurgaon, Faridabad, Rohini etc.

Shri Rupen Goswami -

The frequent blocking of members for voicing their opinion/ posting message in the whatsapp group of life members is not a healthy sign . In case of breaking of rule by any member, the Group Admin should act against that particular member instead of blocking all members.

Sushobhan Talukdar

He expressed strong dissatisfaction on non availability of Auditorium for the AGM which was held after more than two years forcing to hold at the basement. Even if auditorium is booked by some other social organizations, there is provision to cancel such booking in the case of important event of AAD.

The Activity report of AAD should be printed in Assamese and distributed in the house in response to the report that only concise English version(3 pages) was printed and distributed in house whereas the electronic PDF version of Assamese as well as Details report (11 Pages with photos) were shared through whatsapp to reduce printing cost .

The students as well as Youths should be accommodated in AAD

Dipanjali Dutta –

The successful event i.e. Curtain Raiser for Platinum Jubilee failed to occupy any space in souvenir , no photo was published.

The conflicting situation on celebration of Rongali Bihu 2024 by AAD and APWA –Noida on the same day was bad that too after APWA- NOIDA communicating about their date long back. Such conflict should not be repeated in future . There must be proper coordination amongst Associations around Delhi NCR .

D K Chakravarty - The full reports (with photos) of the Activity Report should be distributed . As lots of expenditure are made in various issues, some expenditure should also be made to publish the Details activity report with photos

Dr Nilaman Sharma – It was a pleasant to see so many good suggestions from members in the AGM. Nowadays the activities of the other associations i.e. NOIDA, Gurugram, Faridabad are increasing , so AAD should also increase their activities accordingly.

Hemanta Madhab Sarma – The election for the bye election held during May 2023 for the post of GS should be more effectively organize to bring nomination where no nomination was received.

Ashoka Nanda Das – The Activity report presented should be the Report of GS, AAD where the various problems, deliberations, future road should also be included in addition to the activities

Dr Mridusmita Baruah – Inspite of having some difficulties, the Platinum Jubilee event can be treated as more or less successful.

Dibyayan Deb He is willing to volunteer to involve youths and Students. One youth wings should be constituted under AAD

Further the house expressed their view as follows viz.

- Members raised concern that not even 50% of total EC of AAD and BOT of AACET were present in the AGM.
- Members expressed displeasure that no General Body Meeting was called since last EoGBM held in May'2023
- Fresh ideas and thoughts with new plans and programmes are very much needed of the hour for the revival of AAD engaging larger Assamese community otherwise it is going to be confined within few families only.
- Members highlighted that for years we have been only talking about reform, systematic, inclusiveness but practically nothing has happened in that direction. It's high time that we all walk the talk.

Finally the report was accepted with

Shri Ashoka Nanda Das - Proposer and

Mr. Omer Luthar King as Secunder.

4. Presentation of Audited Account of AAD FY 2023-24 by Treasurer, AAD

Sh Pranjal Kumar Baruah, Treasurer, circulated the hard copies of audited balance sheet and summary sheet of AAD for the FY 2023-24 and summarised the report submitted by CA.

3. Discussion and adoption of Audited Annual Accounts

Members raised following queries on Audited Report :

- I. Why audited balance sheet of FY 2022-23 was not circulated? And whether it was approved in any AGM or not?
- II. What happen to Internal Audit that was to take place immediately after completion of Financial year
- III. Why Audited report was not circulated to members along with AGM notice by email/post etc ? Why Audited report was not even put in the notice board?
- IV. Members also queries related to Assets of AAD as appeared in balance sheet.
- V. The Audited balance sheet should have signature of President / Treasurer

In response to members query, Treasurer informed that audited balance sheet of AAD for the FY 2022-23 was prepared but could not be presented due absence of instruction. As he was not prepared to clarify the queries of members, so requests were made to members to submit their queries by writing which will be responded at a later date.

4. Presentation of Activity Report and Financial Report by AACET

The report for FY 2023-24 was about to be submitted by Sri Tridib Saikia, Managing Trustee, AACET but he was interrupted by members present with similar queries were raised by the members on the non availability of Audited Report of AACET for the FY 2022-23.

The MT described some of the recent activities of AACET viz.

He took the charge of MT in the last week of February'2024. He submitted the report on activities carried out since taking over charge till 31/10/24. He also informed the house about obtaining fire license for the SSB for next three years after complying with all necessary requirement without even spending any extra amount for file processing. He also appraised the house that lease/rent agreement for basement was terminated and vacant possession was taken over by Trust on 30th Sept'2024. As a result AACET are now free from the burden of renting out the basement illegally.

Members stressed the need to regularly conducting more event in the field of Cultural and Educational in line with objective of AACET.

Submission of Audited Report of Fy 2022-23 to be submitted soon as this report was not brought for presentation

Completion Certificate of the SS Bhawan building is yet to be procured though this building was constructed in the year 2006. This was because of lack of few documents i.e. Fire license , Building drawing etc. Rs 60K has been sought by the Architecture to prepare the drawing and another Rs 6Lakh is demanded by Authority which is not accepted. Now process has been started.

Rupen Goswami (clarification)

With reference to 24th November AGM's Minutes in clause 4 Last sentence to be omitted. Such as : MT appraised the house Basement lease terminated and possession was taken by trust on 30th September 24. Upto this portion it is okay , but last line mentioned' AS A RESULT AACET are now free from the burden of renting of the Basement illegally “ This sentence has to be removed . I personally feel fingered trigger to me by MT . My observation is on this sentence is : As this sentence given an impressions that earlier Board have taken wrong decision to lease out the Basement was illegal. Rent out of Basement is compulsion due to non meet up our expenditure in Lockdown COVID period . Normally Basement is using for storage purposes. That time we were not aware of this . Because needed to lease out the basement purely temporary basis for meet up our recurring expenditure. Such as Bhawan's payment of monthly electricity bill, (average ₹30K per month) monthly salary of staff to the tune of ₹48K , Payment of Jal board monthly bill average 1K and others miscellaneous expenditure to the tune of ₹5K in every month. Total expenditure required for a month is ₹84K for the the Bhawan . Due to this compulsion MT (Rupen Goswami) took up the matter with honourable trustees, accordingly we have discussed and it was leased out at ₹85K per

month. My observation lease out of basement was not wrong decision. So will be obliged if you omit last line.

RELATED To para 4 mark highlights related to 22-23 financial statement of trust, which supposed to submit by current MT , though this period is my tenure of MT , on this issue I am not aware of this why Mr Saikia M T not brought these papers to the meeting as it was available in the office file . If Mr Saikia MT non getting in office I will be ready to provide these papers to Mr Saikia MT . It is my obligation to the highest body i.e General body of AAD to give clarity on it , of my tenure . As we have decided to meet again on 22nd December I will ready to share all of you on that day. For your reference FY 22-23 returned have been filled to I T department, after due approval from Board of trustees.

FOR CLAUSE 4) In para 5 “PROCURED “ word has to be changed because CC is not procure , it is actually “OBTAINED “ . I have concern on this CC issue I have given my observation in the meeting, that at present we are able to submit the application form in MCD office as our fire NOC already renewed. It is MT to start the process for application of CC . MT apprised us on 24 th November meeting given us impressions that we have to incurred ₹ 6.00 lacs to get the C C . I have given my observation in this matter that some short of fees have to deposited and unseen ammount to be incurred from our side to getting this CC , in this regard Mr Ashokananda das also shared his views on this issue that AGM entrusted Board to take it seriously and plan accordingly. It was also not reflected in the minutes . Secretary may include this it in minutes. Do necessary correction in clause.4 . without OCCUPANCY CERTIFICATE , i.e (CC) our building itself treated as incomplete, though we thought it is completed. But as per rule mandatory to get the CC from MCD. Earlier it was not eligible to submit application, lack of support papers. Such as since building has no Fire clearance certificate since 2010. Last certificate issued on 2007, it was for 3 years. In my tenure as MT We have renewed it on 2021 for 3 years. Again February 24 renewal has been done by Current MT . This AGM's have decided to expedite the matter of CC to be discussed in Board of trustees forum in coming day and do the needful on it

Hemanta Madhab Sharma

– It is very strange that the fund provided by Govt towards Infrastructure development of Srimanta Sankardeva Bhawan is not clearly defined, sometime it is shown in AAD and sometime in AACET.

Regarding AACET following discussion also be incorporate in the proceeding-

1. Reports for FY 2022-23 and FY 2023-24 were not submitted in the AGM. Only a report from w.e.f 24.02.2024 to 31.10.2024 was submitted by the Managing Trustee which should have been for above two separate periods ending 31.03.2024 not ending 31.10.2024 i.e. FY 2022-23 n FY 2023-24.
2. In the balance sheet of audited financial report for FY 2023-24 fixed asset was shown as Rs.10,362,579 corresponding to previous year's asset Rs.14,239,512 (gross) and Rs.13,379,055 (net) ending 31.03.2023 which needs further explanation as the value can not be reduced drastically during one year during FY 2023-24. Since, certain capital works were undergoing during 2023-24 from Assam Govt. Budgetary fund , asset should have increased rather decreased as the building is under AAECT.
3. There are various assets other than building in under AACET, separate lists as note should have been prepared for all assets segregating all assets (Tangible and intangible) and its depreciation as normally done in earlier years' reports.
4. Annual asset verification should be carried out by an independent committee appointed by the EC or the Trust which was prevailing in earlier years which has been discontinued reason best known to the Trust and should be restored.
5. Internal audit Committee for the Trust also to be appointed immediately.

Dibyojit Dutta GS(i/c) clarified that the project i.e Infrastructure Development of Srimanta Sankardeva Bhawan was submitted by AAD to erstwhile CM of Assam Sri Sarbananda Sonowal and subsequently next CM Sri H . B Sarma released the fund under the scheme of Untied fund where it was mandatory to create a separate account for the project (delinking with AAD and AACET). But during the covid 19 period , there was urgency, so the Bank mistakenly linked the PAN Nos of the newly created Bank A/C with AAD (which otherwise should create a separate PAN). Govt of Assam constituted a separate Project Implementation Committee where it was mandatory to appoint one Govt official as Secretary or President of the Committee. Accordingly the Secretary of the Project Implementation Committee is a Govt nominee (not from AAD) . The funding agency DC Kamrup has been monitoring the project time to time. Recently Officials from PRC, Assam House was authorized to inspect and verify the project which they did . All bills are submitted to DC,

Kamrup metro as per the guidelines. So further examination is required to see how expenditure/ fund utilization to be reflected in AAD or AACET Bank A/C

Shri Ashokananda Das conveyed that Rs 40 L penalty was imposed by I Tax which was due to wrong entry in the Book. These are to be corrected. There is some issues due to different ownership of Land and Building of Srimanta Sankardeva Bhawan as one is with AAD and the other is with AACET. For effective management, AAD should hand over their property to AACET for long lease I,e, 30 years.

CA of AAD and AACET are different ; not same as raised by members.

Nilay Das

Seminar 28th Sep2024 – Assam the growth engine for NER with AACET

The seminar was organized with lots of efforts and the total cost exceed by Rs 6K . Though concrete bills was submitted but this Rs 6K was not reimbursed,

The house unanimously endorsed the view that expenses incurred by any members for holding any event with permission and under the banner of AAD or AACET must be fully reimbursed (after due verification) even if actual expenses are marginally higher than original estimate.

Dr Mridusmita Baruah – There was very less response from participants for Workshop viz. ‘Assam’s growth Engine of NER’ organized by AACET.

5. Discussion on any resolution duly proposed and seconded by Life Members

Two Nos proposal were received as follows viz.

5.1 Proposed by Md Inamul Islam & Seconded by Mr Manoj K Das

5.1.1 Please circulate the full list of life members with status.

Agreed . The list to be generated as per format viz.SI No, Life Member’s ID, Name, Current Address , Current status (alive / expired)

5.1.2 Online voting may also be introduced please .

All agreed not to introduce online voting system as follows viz.

Dipanjali Dutta – Election is an opportunity to meet our members but online voting system will further alienated members from meeting physically.

Sushobhan Talukdar : We should not implement for all. In extreme case, we may think of providing the online voting facility to members above certain age of 80 or 85. However no decision was taken on this.

5.2. Name of Proposer : Nilay Das & Secorder : Sushobhan Talukdar

5.2.1 Life Member list to be updated based on current actual status of individual member.

Nilay Das :

As per constitution of AAD, person have to live in Delhi NCR region to become eligible for membership. So, those who are no longer alive and those who now permanently live outside of Delhi NCR region should be moved out to Former Members List.

On this Ms Enu Nath and Sri Siba Ram Dewri have stated that we should consider them to continue as membes viz.

Enu Nath – Lots of people staying away i.e. Assam have been contributing towards the Association regularly . They have contributed handsomely to the recent Platinum Jubilee, so they should also be included in election .

Sri Siba Ram Dewi - There are several Life members presently living outside Delhi but they have been regularly and closely associated with the Association , So they should be allowed to involve in the Association where participation in election is one of these.

5.2.2 .Process of Issuing Identity Card to Life Members to be restored. – Agreed to implement

5.2.3. Constitution to be amended to compulsorily call General Body Meeting (GMB) at least once in every quarter.

Members agreed that Atleast two meetings must be held each year i.e one AGM and one GBM with 6(six) months interval.

5.2.4 All Minutes of Meetings (MoM) of Executive Committee of AAD and AAECT should be made available to General Body through whatsapp and/or email.

Agreed. The next EC AAD and Governing body of AACET should discuss themselves to make these possible

5.2.5 Unaudited Quarterly receipt and expenditure details of AAD and AAECT should be made available to General Body through Whatsapp and/or email.

The next EC AAD and Governing body of AACET should discuss themselves to make these possible

3. Clause 8.2.2 of the Constitution to be amended to empower General Body to Elect/Select Trustees of AACET.

It would be difficult to implement because selection Trustee requires close observation on the candidates i.e. his/ her availability to provide quality time on Trust activity , competence etc.

But it was suggested that after identifying the trustee by the joint Committee of EC & AACET, his/ her name must be ratified within one month. If required, emergency GBM should be convened to ratify .

6. Discussion on declaration of election EC AAD 2024-2026

6.1 Election Date – The Next Election Date of EC, AAD is 5th January 2025.

6.2 RO/ ARO identified by the AGM are as follows viz.

- a. Dr. Dibyendu Kumar Borah(Life Membership ID L0242) Returning Officer,
- b. Dr. Kulen Das (Life Membership ID L0186) Associate Returning Officer,
- c. Dr. Rabin Chandra Mili (Life Membership ID L0185) Associate Returning Officer,

6.3 GS, AAD to notify the RO/ARO immediately

7. Discussion on any suggestion/comment from members regarding the conduct of the affairs of the Association and the Trust/any Subordinate body

Members presented there suggested following viz.

- a. Audited balance sheet of both AAD and AACET for the FY 2022-23 are to be circulated to members immediately .
- b. Members to send queries to writing to EC/ AACET within next 7 days by email and/or whatsapp after going through these reports
- c. **Emergency General Body Meeting to held on 22nd December'2024** to provide response to queries raised by members by AAD & AACET for adoption of audited report for FY 2022-23 and FY 2023-24 by the General Body.

The AGM ended with Vote of Thanks to the Chair.

3. Discussion and Adoption of the Activities Reports of AAD

During the discussion and adoption of the Activity report, following comments/ observations were made by members viz. :

Nilay Das

- i. Platinum Jubilee celebration was not successful as AAD failed to do anything permanent in nature.
- ii. Lack of participation of AAD members and Assamese community in various events (National level Seminar, Prabhat Ferry etc) of platinum Jubilee celebration
- iii. The Platinum jubilee celebration failed to create any impact to the community for following reasons:
 - a. The selection of date for Platinum Jubilee celebration at the last part of December was not a wise decision. The last week of December normally busy for year ending events, winter holidays after examination, Christmas, new year eve celebration, North East Festival etc.
 - b. No consultation was made with AAD members on selection of date, program, planning , execution
 - c. No sub committee was constituted apart from the Organizing committee,

- d. Lack of delegation of works, too much centralization of responsibility i.e. President even kept the responsibility of food coupon distribution himself.
- e. Lack of proper planning. The dismal show in Seminar and Felicitation ceremony speaks about the same.
- f. Report and photo of Curtain Raiser (day long event held on 3rd Sept'2023) event to mark the beginning of Platinum Jubilee celebration could not be found in the **Xamoyik** Platinum Jubilee issue souvenir. It is really disappointing .
- g. Poor coordination with sister organizations of Assamese communities in NCR region like Noida, Gurgaon, Faridabad, Rohini etc.

Shri Rupen Goswami -

The frequent blocking of members for voicing their opinion/ posting message in the whatsapp group of life members is not a healthy sign . In case of breaking of rule by any member, the Group Admin should act against that particular member instead of blocking all members.

Sushobhan Talukdar

He expressed strong dissatisfaction on non availability of Auditorium for the AGM which was held after more than two years forcing to hold at the basement. Even if auditorium is booked by some other social organizations, there is provision to cancel such booking in the case of important event of AAD.

The Activity report of AAD should be printed in Assamese and distributed in the house in response to the report that only concise English version(3 pages) was printed and distributed in house whereas the electronic PDF version of Assamese as well as Details report (11 Pages with photos) were shared through whatsapp to reduce printing cost .

The students as well as Youths should be accommodated in AAD

Dipanjali Dutta –

The successful event i.e. Curtain Raiser for Platinum Jubilee with marathon race, day long cricket matches involving several Assamese Associations of NCR region have failed to receive any appreciation in souvenir as report; not a single photo was published .

The conflicting situation on celebration of Rongali Bihu 2024 by AAD and APWA –Noida organizing on the same day was a bad decision that too after APWA- NOIDA communicating about their date long back. Such conflict should not be repeated in future. There must be proper coordination amongst Associations around Delhi NCR .

D K Chakravarty - The printed copies of the full report with photos of Activity Report should be distributed in AGM. As lots of expenditure have been made in various activities, some expenditure should also be made on publishing the Activity Report .

Dr Nilaman Sharma – It was a pleasant to see so many good suggestions coming from members in the AGM. Nowadays the activities of the other associations i.e. NOIDA, Gurugram, Faridabad are increasing , so AAD should also increase their activities.

Hemanta Madhab Sarma – The election for the bye election held during May 2023 for the post of GS should be more effectively organize to bring nomination where no nomination was received.

Ashoka Nanda Das – The Activity report presented should be the Report of GS, AAD where the various problems, deliberations, future road-map should also be included in addition to activities.

Dr Mridusmita Baruah – Inspite of having some difficulties, the Platinum Jubilee event can be treated as more or less successful.

Dibyayan Deb He is willing to volunteer to involve youths and Students. One youth wings should be constituted under AAD

5. Discussion and adoption of Audited Annual Accounts

- I. Why audited balance sheet of FY 2022-23 was not circulated? And whether it was approved in any AGM or not?
- II. What happen to Internal Audit that was to take place immediately after completion of Financial year
- III. Why Audited report was not circulated to members along with AGM notice by email/post etc ? Why Audited report was not even put in the notice board?
- IV. Members also queries related to Assets of AAD as appeared in balance sheet.
- V. The Audited balance sheet should have signature of President / Treasurer

As he might not be in position to clarify some of the queries of members, so he requested members to submit their queries by writing which would be responded at a later date.

3. Presentation of Activity Report and Financial Report by AACET

The Financial Report for FY 2023-24 of AACET was about to be submitted by Sri Tridib Saikia, Managing Trustee, AACET but he was interrupted by members present with similar queries on non availability of Audited Report of AACET for the FY 2022-23.

Seminar 28th Sep2024 – Assam the growth engine for NER with AACET

The seminar was organized with lots of efforts and the total cost exceed by Rs 6K . Though concrete bills was submitted but this Rs 6K was not reimbursed,

The house unanimously endorsed the view that expenses incurred by any members for holding any event with permission and under the banner of AAD or AACET must be fully reimbursed (after due verification) even if actual expenses are marginally higher than original estimate.

Dr Mridusmita Baruah – There was very less response from participants for the Workshop viz. ‘Assam’s growth Engine of NER’ organized by AACET.

Members also suggested –

Submission of Audited Report of Fy 2022-23 to be submitted soon as this report was not brought for presentation

4. Discussion on any resolution duly proposed and seconded by Life Members

Two Nos proposal were received as follows viz.

4.1 Proposed by Md Inamul Islam & Seconded by Mr Manoj K Das

4.1.1 Please circulate the full list of life members with status.

Agreed . The list to be generated as per format viz.SI No, Life Member's ID, Name, Current Address , Current status (alive / expired)

5.1.2 Online voting may also be introduced please .

All agreed not to introduce online voting system as follows viz.

Dipanjali Dutta – Election is an opportunity to meet our members but online voting system will further alienated members from meeting physically.

Sushobhan Talukdar : We should not implement for all. In extreme case, we may think of providing the online voting facility to members above certain age of 80 or 85. However no decision was taken on this.

5.2. Name of Proposer : Nilay Das & Seconder : Sushobhan Talukdar

5.2.1 Life Member list to be updated based on current actual status of individual member.

Nilay Das :

As per constitution of AAD, person have to live in Delhi NCR region to become eligible for membership. So, those who are no longer alive and those who now permanently live outside of Delhi NCR region should be moved out to Former Members List.

On this Ms Enu Nath and Sri Siba Ram Dewri have stated that we should consider them to continue as membes viz.

Enu Nath – Lots of people staying away i.e. Assam have been contributing towards the Association regularly . They have contributed handsomely to the recent Platinum Jubilee, so they should also be included in election .

Sri Siba Ram Dewi - There are several Life members presently living outside Delhi but they have been regularly and closely associated with the Association , So they should be allowed to involve in the Association where participation in election is one of these.

5.2.2 .Process of Issuing Identity Card to Life Members to be restored. – Agreed to implement

5.2.3. Constitution to be amended to compulsorily call General Body Meeting (GMB) at least once in every quarter.

Members agreed that Atleast two meetings must be held each year i.e one AGM and one GBM with 6(six) months interval.

5.2.4 All Minutes of Meetings (MoM) of Executive Committee of AAD and AAECT should be made available to General Body through whatsapp and/or email.

Agreed. The next EC AAD and Governing body of AACET should discuss themselves to make these possible

5.2.5 Unaudited Quarterly receipt and expenditure details of AAD and AAECT should be made available to General Body through Whatsapp and/or email.

The next EC AAD and Governing body of AACET should discuss themselves to make these possible

3. Clause 8.2.2 of the Constitution to be amended to empower General Body to Elect/Select Trustees of AACET.

It would be difficult to implement because selection Trustee requires close observation on the candidates i.e. his/ her availability to provide quality time on Trust activity , competence etc.

But it was suggested that after identifying the trustee by the joint Committee of EC & AACET, his/ her name must be ratified within one month. If required, emergency GBM should be convened to ratify .

5. Discussion on declaration of election EC AAD 2024-2026

6.1 Election Date – The Next Election Date of EC, AAD is 5th January 2025.

6.2 RO/ ARO identified by the AGM are as follows viz.

- a. Dr. Dibyendu Kumar Borah(Life Membership ID L0242) Returning Officer,
- b. Dr. Kulen Das (Life Membership ID L0186) Associate Returning Officer,

c. Dr. Rabin Chandra Mili (Life Membership ID L0185) Associate Returning Officer,

6.3 GS, AAD to notify the RO/ARO immediately

6. Discussion on any suggestion/comment from members regarding the conduct of the affairs of the Association and the Trust/any Subordinate body

Members presented there suggested following viz.

- a. Audited balance sheet of both AAD and AACET for the FY 2022-23 are to be circulated to members immediately .
- b. Members to send queries to writing to EC/ AACET within next 7 days by email and/or whatsapp after going through these reports
- c. **Emergency General Body Meeting to held on 22nd December'2024** to provide response to queries raised by members by AAD & AACET for adoption of audited report for FY 2022-23 and FY 2023-24 by the General Body.

The AGM ended with Vote of Thanks to the Chair.

MoM on the EoGB Meeting of Assam Association, Delhi held on 21st May at Srimanta Sankaradeva Bhawan, New Delhi :5:00 pm

The Extra Ordinary General Body Meeting of Assam Association Delhi was held on 22nd May 2023 at 5:00 PM at Srimanta Sankaradeva Bhawan where around 30 Life members participated and a few joined online (list attached).

This EoGB meeting was invited for a few important issues viz. Ratification on the recommendations of the Constitution Amendment Committee, Election for the vacant post of General Secretary of AAD, Ratification of the newly appointed 4 (four) Nos of Trustees of AACET , Celebration of 75th Anniversary of AAD etc. The meeting started at 5:00 PM though it was expected to be started at 4:30 PM but couldnot be due to lack of quorum.

After welcoming address by GS (ic) and introductory address by President , AAAD, the issues were raised to the members sequentially. After threadbare discussion which lasted till 7:30 PM, the following conclusion were made viz.

1. Ratification of the recommendation of the Constitution Amendment Committee

The house accepted **unanimously** and ratified the recommendation of the Committee viz. A clause to be inserted after 5.13.9 that “Ex- Officio Member who has been in the EC for 3(three) consecutive terms shall not be allowed to contest election for the 4th term, 2. If a person demits office either on resignation, transfer or for any reasons, he/she will be deemed to have completed the term.

☑ **Proposer** – Shri Tridib Saikia

☑ **Seconder** –Dr. Nilamani Sarmah

It was further decided to communicate Registrar of societies after inserting the additional clause in the Constitution.

2. Election for the vacant post of General Secretary of AAD,

Present GS(ic) informed the house that it was decided in the previous EoGM held on 19th Nov 2022 that election for the vacant post of GS to be held after amendment of the Constitution on clause 5.13.9 and the Ex GS which is also an Ex Officio member of current EC AAD to continue to discharge as GS (i/c) till the new GS is elected.

It was further decided that the previous Election Committee comprised of RO and 2 AROs led by RO Sri Tridib Saikia to conduct this Bye election. EC , AAD to proceed accordingly for early conduct of the election.

3. Ratification of the newly appointed 4 (four) Nos of Trustees of AACET

The house agreed to ratify the appointment of the 4(four) nos trustee to AACET as it was felt that lots of constraint have been faced by Trust to discharge their responsibilities due to lack of manpower resources. The name of the newly appointed trustees are viz.

- a. Mr M. P. Bezbaruah
- b. Mr Ashoka Nanda Das
- c. Manoj Kumar Das

d. Shri Tridib Saikia

4. Celebration of 75th Anniversary of AAD

It was communicated to the house that as AAD was constituted in the year 1947, time has come to celebrate its 75th Anniversary and sought opinion from members on how to celebrate the events. The various suggestion offered were as follows viz.

- a. **Hare Krishan Das** – The preferred date & time of the main event should be in November 2023. Meanwhile it is to be observed that no other major events related to Assam/ NE should conflict with the date & time.
- b. **Ashokananda Das** - The EoGB should authorize EC- AAD to proceed to celebrate the 75th Anniversary
- c. **Dr Nilamanoi Sarma** – As there is no historical document available about Assam Association Delhi , so one historical book to be published on AAD & Srimanta Sankardeva Bhawan. One committee need to be constituted for this purposes.
- d. **Sarat Borkakati** – This event should be taken as an opportunity to bring glory to the association which should work together to bring various people living in NOIDA, Faridabad, Gurugram, Delhi etc under one platform. Several events either big or small sized to be organized across Delhi NCR region covering NOIDA, Faridabad, Gurugram etc involving their local people/ association. Close coordination with other associations viz. NOIDA, Gurugram, Faridabad is required and President/ GS should be invited . One Event calendar with list of activities to be prepared and published. Separate committee to be constituted and allot task to prepare the list of activities with budget. This would help to prepare the estimates of the event.
- e. **Deva Prasanna Das** - The issue of the locations of the venues should not be the major concerned , instead the major concern should be how to involve those people scattered in various places viz. Delhi, Faridabad, Gurugram, NOIDA etc. Activities like blood donation camp can be arranged.
- f. **Dr Ranjit Baruah** – AAD should start dialogue with similar organizations in NOIDA, Gurugram, Faridabad etc and take input from them. Involvement of all institution scatted in various location is very important
- g. **Binay Brata Sarma** – Secretary/ President of Associations of NOIDA, Faridabad, Gurugram etc should be invited . This event can be extended accommodating Magh bihu & Rongali Bohu .
- h. **Dr Tankeswar Baruah** – Sports event should be included as it is a major source to attract youths, students & children.
- i. **Ashokananda das** – Debating Competition can be arranged and Media Journalist Sri Arnab Goswami may be invited to grace the occasion.
- j. **Sushobhan Talukdar** – Students community are normally left out from various events , so special care to be taken to bring them and involve them. This is the opportunity to bring students/ youths to AAD.
- k. **Dr Bipul Kumar Baruah** – Next generation must be involved particularly children . Drama, conference, workshop, debating competition are few of the events should be reserved for them.
- l. **Dr Hareswar Deka** – It should preferably be held through out the year. Various Association of NOIDA, Gurugram, Faridabad , Samannay , students of DU, JNU, to be involved. There was 100% involvement from Students during 50th Anniversary and similar steps to be taken in the 75th year celebration . Due to ensuing election to be held around March 2024, celebration of the this event after February 2024 would be too difficult . So must be concluded before it.

m. **Sh Reem Pathak** – Kabita (poem), golpa(story telling) etc should be included. Cooking competition amongst ladies to be organized.

n. **Sh Dibyojit Dutta** – Fashion Show on ethnic dress may be organized.

o. **Prasanta Kumar Das** – Start-ups should be involved.

p. **Deepanjali Dutta** - Important issues of Assam viz. Flood mitigation, tourism , economy etc should be taken in various panel discussions with experts.

q. **Sh Rupen Goswami** - The list of invitee viz. Secretary, President of Association of NOIDA, Faridabad, Uruli , Students organization, Asam Sahitya Sabha , Bordoichila, Samannay, Assam Tribal Sangha, Bodo Association, Karbi Association, Mishong Association , INLI , etc should be invited.

A few more issues were discussed with permission from the House viz.

5. Official AAD Life members WhatsApp গৰ োপ

The present status on the whatsapp group of AAD Life members was discussed. It was decided that that it's discussion should be restricted on issues related to AAD only. . Members should avail the opportunity to enquire various issues viz. present status of the guests house facilities in SSB, room rent, hiring charge of auditorium, infrastructure, canteen facilities, . If requires , members may participate in discussion, criticize if found anything inadequate etc.

This group to be made open to life members shortly and it is expected that everyone would work in the spirit of the purpose of the group . In order to enforce above policies, those who are found to be repeated defaulter to be removed from the group temporarily for few days (7 days) as deterrence.

Reena Sharma – Expressed total disappointment on the low participation of members in the crucial meeting where various important issues are discussed. One message should be issued to all life members expressing disappointment for the low attendance.

On modernization of discussion etc, a few senior & experienced persons should be entrusted the responsibilities.

6. Canteen of Srimanta Sankardev Bhawan- The statement of the canteen of the Srimanta Sankardeva Bhawan was raised by President, AAD and conveyed that the Kitchen has been locked by the owner of the canteen viz. Sh. Prabhat Baruah which is causing great discomfit to the visitors. In spite of several requests made to him to hand over the key so that the ongoing renovation works can also be done in the canteen, but instead of hand over the key, Sri Prabhat Baruah took confrontation stand by issuing legal notice to AACET jeopardizing the situation. So

the next course of action was explored where members supported to take punitive action against him including Termination of the Life membership of Sri Prabhat Baruah under clause 3.13 of the Constitution viz. Life membership shall be terminated by EC with immediate effect if a Life member is found to be involved in any activity of criminal intend or indulging in any anti Assam Association Delhi activities .

The meeting concluded with Jatioyo Sangeet “ O mur Aponar Desh”

Dear Sir/ Madam,

This is to certify that we have examined the accounts related to the disbursement and expenditure against Infrastructure Development of Srimanta Sankardeva Bhawan for which Govt of Assam had sanctioned an amount of Rs 50 Lakh under Untied Fund as follows viiz.

Sl No	Particulars	Duration	Amount	Remarks
1	Bank A/C No 50100462269998 of HDFC , Janakpuri Community Centre			
2	Receipt of Amount (first Installment and 2 nd Installment)	28/09/2021 to 25/04/2023	44.50 Lakh	
3	Expenditure W. r.t. Labour payment	28/09/2021 to 25/04/2023		
4	Expenditure on Procurement of Materials	28/09/2021 to 25/04/2023		

Comments/ Suggestions

- It has been observed that the information related to the Bank Account could have been conveyed for accounting in the FY 2021-22 as some transactions were committed during that FY
- Though record keeping has been done in systematic ways , but the rectification of A/C of 2021-22 needs to be initiated with CA immediately as some amount were transacted during FY 2021-22 were not reflected in the Income / expenditure of FY 2021-22 and hence not in the ITR which need to be rectified accordingly.

3. Dibyojit Dutta, General Secretary, AAD
4. Dr. Nilamani Sarma EC member-cum-Trustee, AAD
5. Rupen Goswami, Managing Trustee, AACET
6. H.K.Das, Trustee, AACET
7. Hiron Lal Dutta, EC member, AAD
8. Pradip Sarmah, EC member, AAD
9. Prashanta Kumar Das, EC member, AAD
10. Dipak Saikia, Treasurer, AAD

General Secretary welcomed the Chair to conduct the Joint meeting of AAD and AACET. Then General Secretary and the Managing Trustee placed before the House their agenda of the meeting, which is as follows:

Agenda:

- a. Progress made on arrangement of NOC for Fire Safety Certificate,
- b. Present Financial crisis faced by AACET and viable solutions thereof
- c. Electricity Bill of SSB,
- d. Current Bank A/C status and Financial statements from 31st March 2019 to as on date,
- e. Induction of new Trustee against existing vacancies,
- f. Letters to the three hon'ble Trustees whose tenure have expired,
- g. Any other

After long discussion and deliberation , the following points were decided viz.

a. **NOC for Fire Safety Certificate** - The most important issue at hand was to arrange NOC for Fire Safety i.e. 'Fire Safety Certificate' from the Competent Authority immediately. Sri Rupen Goswami, Managing Trustee informed about various progress made by the team to procure NoC which was at the final Stage. A few works need to be executed in SSB as per recommendation made by Govt of Delhi which is under process. It was unanimously agreed to follow it up and address on urgent basis.

b. **Present Financial Crisis faced by AACET and the viable solutions thereof** – As reported by Managing Trustee, AACET, the present financial status of Trust is not good due to failing to earn revenue for locked-down. The efforts to 'renting out of the basement of SSB to agency' has been going on. A few options suggested to raise fund for SSB were as follows viz.

- a. To pursue Hon'ble CM, Assam to release fund as per his commitment made on the Memorandum submitted to him during his visit to SSB during February 2020.
- b. To appeal to Life Members of AAD to contribute @Rs 1000/- (One thousand only) to assist to overcome the present financial crisis,
- c. To pursue other funding agencies, PSU etc to contribute
- d. Managing Trustee to issue letter to any defaulter to SSB
- e. Any other

c. **Electricity Bill of SSB** - It has become a serious problem to foot the Electricity bills during the Lockdown period. This issue is to be taken up primarily by Managing Trustee, General Secretary and Prasanta Kr Das (EC Member) with the help of others.

d. Current Bank Account Status

Sh. Rupen Goswami, Managing Trustee, AAECT informed the Committee about the current Bank Account status of AAECT as follows

- a. Canara Bank - Rs 18,000/-
- b. IoB - Rs 40,000/- but with existing committed liabilities, the balance is almost 'zero'
- c. SBI - SBI account is said to be dormant. Status or any investment etc are not known.

It was requested to update all Bank Account details of AAD & AACET immediately without fail and submit their financial statement from 01/04/2019 to till date at the earliest (Not later than 15 Days).

e. **Induction of New Trustee to AAECT** - The existing vacancy of Trustees in AACET was discussed. After threadbare discussion, it was decided to absorb Sri Niranjana Kouli as a new Trustee of AAECT. The vacant post of the other trustee to be appointed later one by one (instead of single lot) with atleast a few months gap to avoid their tenure expiry at the same time in lot. Then the Committee expressed unhappiness on few trustee who have failed to

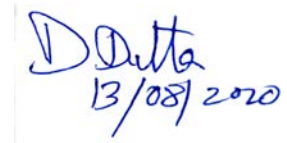

attend meetings regularly and perform their duties. So it was decided that from next onwards, only those who have capability to perform and can afford their time and energy to trust are to be absorbed as Trustee in future.

- f. **Letters to the Trustees whose term have expired** – The thanksgiving letter to the three Trustee who have recently completed their tenure are to be issued in official letter pad soon.
- g. **Providing Fund to AAECT** – In order to pay Electricity Bill, Procure Fire Safety Certificate, undertake essential renovation works in SSB etc, it was decided that AAD will break one FD of 6,00,000/- prematurely (Six Lacs only) and give it to AAECT as loan for the time. The following Resolution letters to be issued to
 - a. SBI to provide bank statement and revival of the A/C if required,
 - b. AAD for premature withdrawal of FD (Rs 6 Lakh) and to provide loan to AAECT if needed.
- h. **Improving transparency and efficiency of Trust** – The House recommended a few corrective measure to improve transparency and efficiency of AAECT. Accordingly, a Comprehensive Report to be prepared on various activities and resources of Srimanta Sankardeva Bhawan as follows viz.
 - a. List of present occupants & revenue earning from various sources in SSB,
 - b. Existing manpower support (Sl No, Name of manpower, Category of manpower(Chowkidar, Manager, helper etc), works allotted, remuneration paid/ month etc.),
 - c. Status of water supply and drinking water facility
 - d. Status of the internal electrification, lift, staircase , door where repairing is required
 - e. Electrical equipment i.e. condition of ACs –working/ not working, make & capacity 1.5 T/ 2 T, how many years old, whether under AMC, last servicing done etc
 - f. Civil works where urgent renovation works required .
 - g. Any other

The 'Consolidated report' is very important and it was suggested that Managing Trustee, AACET should submit the above Report within 15 day to the House.

- i. The House paid their respect to Dr Gauri Kanta Handique, an active Life Member of AAD who has recently breathed his last and decided to issue a Condolence Message to the bereaved family members immediately .
- j. House also decided to organize the Independence Day flag hoisting ceremony on 15th August, 2020 at 10:30 AM

The meeting ended after offering vote of thanks.

It was informed by MT that if required, AACET will go to Court to settle the issue.

During discussion and adaption of the report Dr Bani Bora enquired whether the services of Sri Bikas Dutta, one of the employees working is SSB, whose services has recently been discontinued, can be re-accommodated. The Managing Trustee, Sri Rupen Goswami informed that opportunity would be given to Sri Bikas to rejoin once the situation improves. However, it was informed that since Sri Bikas Dutta was not employed directly by AACET, rather was an employee under the erstwhile House Keeping contract, it will be dependent of a fresh House Keeping Contract which is yet to be put in place. It was mentioned that AACET was paying him an amount of ₹ 6000/-per month to get some additional jobs done outside the House Keeping Contract.

However, since it did not fall within the scope of present membership clause of the existing Constitution, it was decided to refer the same to EC for further discussion.

5. Registration of the newsletter/Literary periodical under RNI Pradip Sarma suggested that since Jogajog was not registered with Registrar of Newspapers for India we cannot create a subscriber base to which Sri Anshuman Baruah responded he would be able to register the newsletter "Jogajog" and the literary periodical "Samayik" under RNI. Sri Anshuman Baruah also added that once the publications are circulated to wider readership in Assam, then it would be possible to get more advertisement to supplement the earnings of AAD.

6. Contribution of earning of AACET to AAD -Sri Sibaram Dewri informed that a few year back, it was decided to contribute 85% of Trust earning to AAD. They should examine the various issues to improve the financial health, management of AAD/ AACET, improving outreach program etc. and submit their recommendation .
- l. **Extension of tenure of EC to 31st March 2022 due to Covid-19 pandemic** etc. The AGB agreed to extend the tenure of AAD by 6 Months i.e. 31st March 2022 from 7th Sept 2021. This issue was raised considering total lockdown in the last one year i.e. December 2019- Jan 2020 on CAA/CAB protest, March 2020 to till date (January 2021) due to Corona. Dr Nilamani Sarma expressed that such steps to extend the tenure of Association/organization have been done in several cases, so extension may be provided. This should also help to eliminate overlapping of Financial year with AAD Tenure. AGM agreed to extend the current EC to till 31st March 2022.

MoM on the EoGBM Meeting

held on 22nd December 2024 at Srimanta Sankardev Bhawan, New Delhi

Dated New Delhi 24th December 2024.

The EoGBM Meeting which was scheduled to be started at 4:00 PM could not be held on time due to lack of quorum forcing the House to adjourn for further 30 minutes. Finally, it started at 4:30 PM with presence of sizeable members (Participants list attached as Annexure -I) .

At the outset, GS(i/c) welcomed the members and briefly described about the objectives of this EoGM and then proposed the name of Dr. Hareswar Deka, VP to preside over the meeting. But the House rather suggested Mrs. Aruna Baruah to preside over the meeting considering this meeting as Extension Meeting of the recent AGM held on dated 24.11.2024 which Mrs Baruah presided in absence of both the President Sri Hare Krishna Das as well as Dr. Hareswar Deka VP. The General Body expressed that since Mrs. Aruna Baruah, VP presided over in the recently concluded meeting, it would be appropriate to continue her to preside over this meeting with her knowledge about the previous proceedings. Accordingly Mrs. Aruna Baruah accepted the proposal and conducted the meeting.

At the outset, Mrs. Anjali Baruah, ex-officio & Ex. President, AAD raised her quarries whether the matter of wrongfully putting her signature in Audited Accounts had been included in the Agenda or Not. The matter was discussed extensively & General Body was informed that there is high possibility for CA to insert her scanned signatures fraudulently (without taking her consent). However the actual status could not be transpired due to absence of President and Treasurer.

Then GS(i/c) started to present the Audited Report for FY 2022-23 in absence of Treasurer for some unavoidable reasons; expressing confidence on himself to answers expected quarries after having thorough understanding on these reports from CA through one online consultation with CA on the nitty gritty of these reports on the previous day.

While presentation on the Audited Account for FY 2022-23 was initiated by GS(i/c), it was detected by the House on missing of Sign and Seal of CA in the Report. While searching other Audited Report of FY 2023-24, it was found the presence of Sign and Seal of a **Cost Accountant** instead of CA (**Chartered Accountant**) as it should be. The GS could not reply properly on these major lapses and conveyed that probably President or Treasurer might have the answer which were not available at that time to respond. The members expressed disappointment on absence of both President and Treasurer in this important AGM meeting.

Further, queries were raised by members for the reason for showing certain amount i.e. Rs.704373.00 and Rs.74777.00 booked against personnel name i.e. Sri Hare Krishna Das for the FY 2022-23 and FY 2022-23 respectively. The GS responded that as per CA's consultation, these amount had to be put under some head during in transition in the CA Software due to presence of a complex sources of fund in the Account (i.e. Deferred Govt grant towards Infrastructure Development of Srimanta Sankaradeva Bhawan, Delhi). But the House was not ready to accept this explanation finding it too weird to accept. Under the above circumstances, discussion could not proceed further and both the Audited financial Accounts for the years 2022-23 and 2023-24 remain unapproved.

Then, a few members raised about the speech of Treasurer in the previous AGM, where he conveyed the House about non-availability of supporting documents on AAD's Audited Account on his possession which was assumed to be in possession of President Sri H K Das. The GB expressed concern on this issue and directed the GS to issue a letter to President Sri Das directing to return all the official financial documents of AAD under his possession to Treasurer, AAD immediately.

Then one of the members of the EC pointed out that in the recent Platinum Jubilee celebration 2023, total 15 (fifteen) Nos. stalls were made out of which 11(eleven) were commercial and rented out @Rs.5000.00 each and collected total amount of Rs.55,000.00. But in the accounts, it is appeared as Rs.30,000.00. Another EC member said that similar ambiguities were also noticed during Magh Bihu and Bohag Bihu stalls. GB took serious view and proposes certain remedial measures to identify these anomalies and correct through internal auditing in both AAD and AAECT. It was conveyed that though in the recent AGM held on 24.11.2024, it was directed EC to appoint internal auditors for both AAD and AAECT immediately but it is found to be not yet implemented. Therefore, the GB took unanimous decision to appoint internal auditors of three life members for scrutiny of the accounts in a time bound manner for the accounts till date and also will act as internal auditor for future period.

After long deliberation by various members, the House decided the proceed with following actions viz.

1. Constitution of a Fact Finding Committee

A Fact Finding Committee is to be constituted to identify various lapse, errors, mistakes while preparing the Audited Accounts for both AAD as well as AACET with the following members viz.

- i. Sh. Dilip K. Chakravarty

- ii. Sh. Uddalak Datta
- iii. Dr. Ranjeeta Phukan Bora

The Committee shall execute the following task viz.

- a. Cross examining all stakeholders , individuals which were responsible as well as signatories (including Ex President Mrs Anjali Barooah & Ex Treasurer Dipak Saikia) on the Audited Accounts for AAD & AACET for the FY 2022-23 & 2023-24 and identify the causes of lapses leading to gross anomalies in these reports i.e. incorrect figure , lack of clarity on figure, dispute on signature etc.
 - b. The Committee shall submit the report to the incumbent EC (active EC at that time) latest by 28th February 2025 .
2. **Internal Audit Team** - Further , the above Fact Finding Team will act as Internal Auditor for future period (wherever Constitution of AAD permits), otherwise (whenever they are not permitted) AAD & AACET shall constitute their respective Internal Audit Teams.

The responsibilities of the Internal Audit Team shall be as follows viz

- a. Take backlog Inventory stock entry of AAD and AACET from 2011 to 2024. The interim report to be published within 2 months .
 - b. After completing backlog entry, the process of stock entry/verification shall be repeated by EC/ Trust every 6(six) months interval.
3. GS(i/c) to request Sri Hare Krishna Das to take necessary action to reconcile the Accounts of AAD & AACET for the FY 2022-23 & 2023-24 and share all relevant documents, voucher related to the Accounts of AAD & AACET to the Fact Finding Committee within 15(fifteen) days .

The meeting ended with vote of thanks to the Chair.

AN OPEN LETTER TO ALL LIFE MEMBERS OF ASSAM ASSOCIATION, DELHI ON PRESENT SCENERIO OF ON GOING ELECTION PROCESS OF EXECUTIVE COMMITTEE FOR 2022-24.

Respected Members of Assam Association Delhi,

I am enclosing herewith all Notification for the Biennial Election for various posts of Executive Committee of Assam Association, Delhi (AAD) for the term 2022-24 and rejoinders from hon'ble members there on. I am writing this open letter to the members for their information only regarding crisis on certain issues which need mass opinion in EGM scheduled on 19th Nov'22 at 4PM.

- 1) When Returning Officer (RO) has issued a corrigendum stating that "if candidates cannot be present at the time of opening of the nomination papers, he/she may put a request to RO stating his/her inability with valid reason". The RO was forced to withdraw the said corrigendum citing constitution echoed through social media etc.

But there is instance in the past that a candidate elected as Office bearer without being present at the time of opening of nomination. His consent was obtained over telephone.

Anyhow rule is rule and should be for all. By withdrawing the above corrigendum, RO has rightfully demonstrated his inclination to follow the rules strictly.

- 2) In this current election process, it has been noted that after completing the scrutiny of nominations, the RO issued the list of all the eligible and uncontested candidates with one observation on the candidature of the General Secretary (GS). *The election committee observed that there is unclarity in the guiding clause for checking admissibility to contest in election, laid down in the election procedure in the constitution of AAD.* (Enclosed the Notice of RO). Hence the RO could not accept the candidature of the post for GS; and the matter was referred to the Executive Committee (EC), AAD
- 3) The clause 5.13.9 of the Constitution states that " No Executive Committee members including office bearers shall be allowed to contest Election for more than 2 (two) consecutive terms i.e consecutive 4 years "
- 4) This above clause was provided so that the same person/persons should not be allowed to be in the Executive Committee for many terms continuously. **The**

incumbent in question was an EC member in his first term, 2nd term as Vice President, third term as Ex officio member by virtue of Managing Trustee of Assam Association Cultural and Educational Trust (AACET) an sister concern of Assam Association, Delhi. In the 4th term if he is allowed to contest as GS and win the election then the same person will be in the EC for 4th term also (that means for eight years continuously). Further he will be in the 5th term also as Ex-officio member i.e consecutive 10 years. Hence that way continuity will not be broken.

- 5) In one hand one cannot be office bearer for more than 4 years at a stretch where as in this case it is going to be 10 years at a stretch taking advantage of lacunae in the constitution on this matter.
- 6) When RO could not take any decision on the matter citing unclear constitutional provision, the matter should have been decided in General Body only through discussion and deliberation and if required by an amendment in constitution.
- 7) Therefore, it is desirable that an in-depth discussion is required on the following:
 - i. Whether the clause does not permit the candidate to contest in this election for the post of GS or any post in the EC complying with the relevant clause 5.13.9
 - ii. Whether the clause 5.13.9 is ambiguous to check the eligibility of the contestant. If so what modification of this clause is required keeping in consideration of the philosophy of providing this clause in the election procedure.
 - iii. Till then the matter of election to GS should have been kept in abeyance and status quo on this issue may be maintained. A diktat from EC is minimizing General Body's status.

I am presenting the facts only and esteemed members are to take a decision for the future betterment of the Association.

Further, one humble request that Rule should be followed in toto for everyone barring any exceptions.

With regards.
